CURRICULUM

TIAGO CASANOVA

BIO

Tiago Casanova studied architecture at the FAUP, at the University of Porto. He collaborated with CCRE and organized the first and second cycle "A photography na Arquitectura" (The Photography in Architecture) in 2008 and again in 2009. In 2010, he was part of a team that organized the International Seminar "On the Surface - Architecture and Public Space Images under debate". He has collaborated in several magazines and has participated in several exhibitions since then. Currently, he is part of the XYZ Books collective and is co-founder of A Ilha (2014).

In 2012 he won the Bes Revelação Photography Award and an Honorable Mention in Novos Talentos Fnac Fotografia. In 2014, his work was mentioned among the most important works of Plat (t) form - Fotomuseum Winterthur.

He is based in Lisbon and in Porto.
